

DAERA Stakeholder/Industry – TRACES NT DOCOMs

Bulletin 03/22

Issued: 03 February 2022

Audience: Exporters of certain animal by-products and derived products (Not intended for human consumption)

Subject: TRACES NT – DOCOM User Manual now available on the DAERA Website

TRACES NT – NOTIFICATION OF MOVEMENTS OF CERTAIN ANIMAL BY-PRODUCTS AND DERIVED PRODUCTS NOT INTENDED FOR HUMAN CONSUMPTION (DOCOMs)

Purpose

The purpose of this bulletin is to inform you that a DOCOM user manual is now available on the DAERA website. See link below.

Background

From the **31st December 2021** you can no longer use TRACES Classic to complete DOCOMs. All DOCOMs must now be completed using TRACES NT. The exporter (economic operator) must complete the DOCOMs as DAERA cannot create DOCOMs on TRACES NT.

If you need guidance on how to create an EU login and register on TNT please refer to [TRACES NT – User Guides | Department of Agriculture, Environment and Rural Affairs \(daera-ni.gov.uk\)](#)

DOCOM User Manual

Further guidance has been made available by the EU Commission. This user manual contains all the information needed for the issuance of commercial documents using the new DOCOM module in TRACES NT.
