

DAERA Stakeholder/Industry – Update on provision of Support Health Attestations

Bulletin 04/22

Issued: 17 February 2022

Audience: NI Food Business Operators who move meat products of animal origin from NI to GB for onward shipment to EU /NI

Subject: Changes to official certification and associated Support Health Attestation guidance

Scope

The purpose of this bulletin is to make stakeholders in Northern Ireland aware of:

- the changes to official certification of products of animal origin (POAO) from Great Britain (GB) to EU and Northern Ireland (NI)
- DAERA guidance on the requirement for support health attestations (SHAs) to accompany product moving from NI to GB
- DAERA guidance on the movement of poultry POAO from AI restricted zones in NI to GB and EU

Guidance for red meat processors and exporters can be found at:

<https://www.daera-ni.gov.uk/publications/sha-notes-guidance>

Guidance for poultry meat processors and exporters can also be found at:
