Dear Minister Poots

Mobuoy Road Illegal Landfill Site

I am writing on behalf of the North West Region Waste Management Group, (NWRWMG), regarding the pressing issue of the Mobuoy Road Illegal Landfill Site. The matter was discussed at our recent meeting following presentations by your officials to a recent special meeting of Derry City and Strabane District Council.

Members wish to express their disappointment in relation to your recently published intention not to hold a public inquiry into the Mobuoy Road Illegal Landfill Site. On behalf of the Members of the NWRWMG, I must now convey their view that you should reverse this decision and hold a public inquiry into this issue immediately.

I would be grateful if you could consider this issue and provide a response that I can relay to Members as soon as possible.

North West Region Waste Management Group
