Dear Mr. Sheehan,

I am writing to you in relation to the Site Characterisation and Selection Report provided to the Department on 21st April 2017. A consultation exercise has taken place and a Scoping Opinion can now be provided to Warrenpoint Harbour Authority.

The Scoping Opinion is attached to this letter and I will also copy it to our consultees, as well as making it available online.

Please contact me to discuss any aspects of this Scoping Opinion further, and/or to arrange a follow up meeting.

Yours faithfully,
