The Department takes data protection, freedom of information and environmental information issues seriously. It takes care to ensure that any personal information received from you is dealt with in a way which complies with the requirements of the Data Protection Act 2018. This means that any personal information you supply will be processed principally for the purpose for which it has been provided. However, the Department is under a duty to protect the public funds it administers, and to this end may use the information you have provided for this purpose. It may also share this information with other bodies responsible for the audit or administration of public funds, in order to prevent and detect crime. In addition, the Department may also use it for other legitimate purposes in line with the General Data Protection Regulations, Freedom of Information Act 2000 and Environmental Information Regulations 2004.

To see the full DAERA Privacy Statement please go to <https://www.daera-ni.gov.uk/publications/daera-data-protection-policy-statement> or call in at your nearest DAERA Direct Office where staff will be able to give you a copy.
