

What can I do about marine litter?

Reduce,
Reuse,
Recycle

Live Here
Love Here

Bag it
and
Bin it

#2
Minute
Beach
Clean

Together we can help reduce marine litter and make our coastline and beaches safer places to enjoy.

Together we can keep our beaches clean and healthy

We can all reduce, reuse and recycle more; take part in Live Here Love Here; be more careful about how we dispose of litter, and do a 2 minute beach clean when we are at the beach.
